Fund description

**Equity index product. The aim of the subfund is to achieve exposure to technology stocks listed on the Nasdaq market with leverage 2x**, which means achieving daily change of unit value correlated to double daily change of technology stock prices on the Nasdaq market. However, this subfund, the Company, or any other third party does not guarantee the achievement of the above-mentioned goal.

The subfund pursues its investment policy by investing in futures on the Nasdaq-100 index. The rest of assets is mainly invested in debt instruments.

The subfund may be used during periods of high probability of stock index growth, when Investor would like to achieve exposure to the equity market of over 100%. Combined with QUERCUS short, this subfund provides an opportunity to achieve any exposure to the equity markets from -100% to +200%.

The risk level of investing in the subfund is very high, higher than in the case of classic equity funds.

The Subfund Tech lev (QUERCUS Tech lev) hereinafter referred as the subfund described in this document is the subfund of the QUERCUS Parasolowy SFIO umbrella fund. Information concerning QUERCUS Parasolowy SFIO and its subfunds, including detailed descriptions of investment policy, risk factors, are provided in the Prospectus and Key Information Document (KID) available at the Quercus TFI S.A. office and at its website: [www.quercustfi.pl](http://www.quercustfi.pl) Neither Quercus TFI S.A. nor QUERCUS Parasolowy SFIO shall guarantee the achievement of expected investment targets or the gaining of specified investment results described in this document. Clients of QUERCUS Parasolowy SFIO should consider the capital venture risks of some invested financial sources. The net asset value of the subfund, may fluctuate considerably owing to the fact of investing the assets of the subfunds in shares and derivative instruments. Presented investment performance is calculated for the A class of the subfund's participation units for the given period of time. Neither Capital Gains Tax nor fees related to purchasing the subfund's units have been included in the above mentioned results. Indicated rates of return should be treated as a historical data only and shall not guarantee similar results in the future. Individual rate of return depends on the date of purchasing and selling subfund's units, given fees and Capital Gains Tax. The value of the subfund's units and fee schedule is available at [www.quercustfi.pl](http://www.quercustfi.pl). This material is a promotional only and is neither intended as an offer nor recommendation to buy or sell any financial instrument. Data and information above provided should not be treated as an investment advice or any other type of advice especially, legal advice. It is necessary to read the Prospectus and KID before purchasing the subfund's units.
