Opis - zarządzający

His professional journey in the financial market began in 2017 at the asset management unit of PZU Group. He initially served as an analyst, contributing to the global allocation of the insurer's balance sheet. In 2020, he earned a promotion to the position of Junior Portfolio Manager, where he commenced co-managing global macro funds and top-down equity strategies.

Since December 2022 he has been a Fund Manager of Quercus TFI S.A.
